

ESOL – My Health and Wellbeing

Provided / Operated by:

Learning Partnerships Ltd

This is an English language course for speakers of other languages (ESOL) and aims to improve confidence and development of functional language skills in speaking about health and wellbeing to support learners in being able to access appropriate health care provision. Open to any learner from Pre-entry to Entry 3 level, learners will learn the vocabulary for and talk about health problems and medicines to a doctor or nurse. Learners may also learn how to access local health services, call for help and find their way...
