

First Steps Project

Provided / Operated by:

St Lukes CARES

Our First Steps Project, established for over 6 years, offers a comprehensive programme that includes accredited Retail and Warehouse Training, Supported Volunteering, and ESOL classes.

The course curriculum begins with an introduction to the charity, the shop, and the local community. It is then structured into three key areas: theoretical learning through classroom activities and some written assignments, hands-on work experience involving tasks such as merchandising, operating the till,...
