

Functional Skills Qualification in English (Level 1)

Provided / Operated by:

Workers' Educational Association

Develop skills to help you read, write, and communicate in English with confidence. Improved language skills open doors to work and study opportunities and help you learn key skills for employment. Level 1 functional skills courses are not like learning English at school. They're created by adults for adults, and aim to teach you practical English skills through real-life situations. Strengthen your writing skills and learn reading techniques to help you tackle everyday situations at work or while...
