

# L1 Functional Skills English

Provided / Operated by:

**Family, Adult Community Education Service (FACES)**

A fully funded (FREE) accredited Level 1 Functional Skills English course for learners who meet the eligibility criteria.

This course is for learners who are self motivated and have a good initial assessment result of level 1.

Learners must be digitally confident/competent and have their own device to use throughout the course.

Learners must be available to meet the tutor weekly on an agreed day/time and attend a face-to-face exam...
