

Men's wellbeing group in Leeds 9

Provided / Operated by:

Leeds Refugee Forum

All men are welcome to join this wellbeing group.

This group is part of our bus ticket scheme. After you have attended the first group and if you live more than 3 miles away from the centre, we can give you a daysaver bus ticket to use to get to and from the group the following week. This is repeated every week for the length of the course. NB the bus tickets are only valid on West Yorkshire buses. They do not work on the special services, eg the X buses....
