Provided / Operated by:

## Open Kitchen Social Club – Wider Opportunities

Our core Monday session is a free meal for everyone to attend, regardless of their circumstances. We offer advice, peer support, and the opportunity to help cook and serve a delicious hot meal to our community. 35–40 people dine weekly. Food is served at 12.30pm but diners are encouraged to come early and help set up, play dominos or table tennis and get to know each other....
